

## Mercury Vapor Type

# Town Approves First Stage Street Lighting Conversion

At the regular March meeting of the Town of Vulcan council, Calgary Power officials presented a five-stage plan which would result in the conversion of all street lighting in Vulcan to mercury vapor lights.

Annual cost to the town for street lighting would rise progressively by \$960 a year — from the present \$3,774 annually to \$10,200 at the completion of the

fifth stage. The first stage, to be done this year, was approved by town council. It includes the conversion of 44 radial lights to mercury vapor and the installation of six new lights at the highway intersection. The town is asking the provincial department of highways to pay half the operating costs of the four lights which are to be installed on the east side of the highway at the intersection, with the town accepting full responsibility for the two lights at the intersection within the town limits.

### Building Permits

The following building permits were approved:

V. P. Schuler, 12x16 frame porch addition to dwelling and 14x20 frame garage on Lots 1-2, Block 26, Contractor, self. Estimated cost \$700.

Ray Sailer, 27x40 frame dwelling on Lot 8, Block 28. Contractor, Custom Homes Ltd. Estimated cost \$11,000.

Bylaws were passed to authorize the sale of Lot 16 and part of Lot 15 in Block 5, Plan 5677 (all utilities prepaid) to Douglas B. Smith for the sum of \$1,950, and the sale of Lot 5 and 20 ft. of Lot 4 in Block 1, Plan 5677, to Clarence Roth for the sum of \$400.

### Other Business

Public works employees of the town were granted a five percent increase in salaries and the allowance of the night police constable was increased to \$60 a month.

Fire Chief Bob Johnston, who attended a fire chiefs' conference in Red Deer this month, was granted \$75 to cover his expenses and the fire department was authorized to send one man to a fire officers training school as a cost of \$75.

More than 90 per cent of all Red Cross work in Canada is done by volunteers.

## Good Deeds W.I. Sees Ceramics

Thursday afternoon 10 members and three visitors of the Good Deeds Women's Institute met at the farm home of Mrs. Leon Nobert.

Preceding the business meeting, Mrs. Ross Kennedy, after being welcomed by the hostess, gave a detailed and most interesting demonstration on the art of ceramics. Her account was spiced with humor and the demonstration highlighted with a display of her beautiful work.

Mrs. George Dingwall took the president's chair with Mrs. Bob Hutton assisting her as secretary.

The February minutes were read, the courtesy committee and the treasurer, Mrs. Clarence Brown, reported. No old business required discussion, and the only new was to plan for a cancer fund tea next month. Mrs. Norman Whitehead volunteered her home and Mrs. Bob Hutton suggested a film on cancer be shown. A lunch committee will be arranged at a later date.

Answering roll call, the members gave infant nighties for the Unitarian Service, and also brought a home-made apron for an exchange. Some very colourful and original aprons appeared.

## At District Meeting

# Roger Jensen, Champion, Receives Scoutmaster Leadership Award

The Golden Tent Peg Award, one of six awarded in the entire region, was presented to Scoutmaster Roger Jensen, Champion, for "superior leadership displayed in the numerous camps held during the past year."

"Such outstanding effort cannot be underestimated," concluded Farley Sherwood, Barons, second vice-president of the Southern Alberta Region as he made the formal presentation at the annual Lake McGregor meeting held Friday, March 12, at the Champion Community Hall.

A disappointing attendance of only 20 people were present to partake of the sumptuous banquet served by the Champion Ladies Auxiliary.

Colored slides that were shown of a camping trip complete with saddle and pack horses clearly bore out Roger Jensen's comment of the tremendous co-operation given the Champion scouts by the group committee as well as the parents.

Slides of Camp Impessa and the Queen Scout Ceremony held in Vulcan were also shown.

The election of officers that followed resulted as follows: President, Keith Clark, Carmangay; First Vice, DeCon Pitcher, Champion; Second Vice, Leonard Volsey, Vulcan; Secretary-treasurer, Mrs. Phyllis Clark, Carmangay; District Commissioner, Terrence White, Vulcan; Assistant District Commissioner, Jerry Wyllie, Vulcan, and Auditor, J. Lundy Findlay, Vulcan.

On the shoulders of the above group of men and women lies the responsibility of molding young minds of Vulcan and district students into the pattern of education in today's world. They are the teachers of Hazel Cameron Elementary School and under their

jurisdiction is the care and instruction of 332 boys and girls from Grades 1 to 6. In the following identifying list of names the grade taught is in brackets: Left to right, back row — Mrs. E. Bucholtz (6), Mrs. L. Alexander (5), Mrs. M. Dumka (2), Mrs. G.

Kelly (1), Mrs. A. Rempel (3), Mrs. S. Lebsack (3), Mrs. S. Gatenby (6), Mrs. A. Carlson (2), Front row — Mrs. B. Dennison (5), librarian; G. Hill (4), vice-principal; D. Green, principal; P. McGaffin (4); Mrs. D. Nickerson (1), film co-ordinator.

## Moving Day

# Post Office To Occupy New Premises Saturday

Saturday, March 20, will be moving day for the Vulcan Post Office and that afternoon Post Master J. J. Price and his staff will make the switch from the present downtown location on 2nd Ave. to the new government-owned post office a block and a half south-east on 2nd Ave.

The wickets at the present post office will remain open until 12:15 p.m. and then will be closed for the balance of the day. Normal post office services will necessarily be curtailed during the actual move Saturday afternoon, but box-holders will be able to withdraw their mail from the boxes in the old building until 4:00 p.m. It would help ease the moving job if as many people as possible would pick up their mail on Saturday — by 12:15 for general delivery and by 4:00 p.m. for box-holders.

After Saturday noon, mail for despatch should be deposited in the outside letter drop at the new post office.

The new post office will be open for business on Monday morning, March 22. The same box numbers will be retained by present box-holders, but new keys are required and box-holders should bring their old keys and trade them for their new ones on Monday or as early in the week as possible.

Additional lock boxes are available in the new building and those who have been waiting to rent a lock box may now do so.

Some minor changes in service will go into effect coincident with

the move to the new post office:

- The lock box lobby will be open from 8:00 a.m. to 8:00 p.m. daily except Sunday.
- The wickets will be open from 8:00 a.m. to 5:30 p.m. daily except Sunday and, as at present, will be closed in the late morning for the sortation of the noon mail.
- Mails for despatch south in the morning will close at 10:30 a.m.
- Mails for despatch north in the evening will close at 6:00 p.m., with registered mails closing at 5:30 p.m.
- The evening mail from the south will be sorted the following morning.

## Poor Attendance Cancels Meeting

A new low in attendance was hit at the scheduled annual meeting of the Vulcan Rural Fire Protection Co-op Monday evening, when secretary R. L. Jamison and Fire Chief Bob Johnson were the only two present.

The counter-attraction that evening was the annual curling club meeting and the cold weather prevailing probably didn't help.

The lack of a quorum forced cancellation of the meeting and a new date has not yet been set.

Greatest traffic menace on the highways is the slowpoke driver.

## Lethbridge To Be Hub

# Plan Re-organization Freight Operation

Vulcan will be one of the Southern Alberta points affected by a CPR plan that would mean complete re-organization of Canadian Pacific's freight operations in this part of the province.

Under the proposed plan, which has been presented to the Board of Transport Commissioners for approval, Lethbridge will become the communications hub of all rail operations south of the CPR main line, and operations at all but ten Southern Alberta agencies will be transferred to that city. Modern data processing equipment would be installed at Lethbridge to handle waybills more quickly and efficiently.

Customers for freight, telegraph or passenger service would have free Zenith telephone communication with the Lethbridge centre, 24 hours a day, seven days a week. Merchandising services now handled by truck would generally not be affected by the re-organization.

Under the plan, all but 10 Southern Alberta CPR agencies would be closed, with the work now being done at these points transferred to Lethbridge. Mobile representatives would be stationed at two rural centres, Vulcan and Claresholm, and would travel throughout their areas to assist customers in obtaining information, placing orders for cars, completing bills of lading, settling accounts and claims, etc. All stations on the division would then become "open" to go to the customer.

stations for carload traffic, including the 75 stations now listed as "closed".

Resident agencies which would be closed are Foremost, Stirling, Magrath, Raymond, Burdett, Grassy Lake, Coaldale, Cowley, Blairmore, Coleman, Picture Butte, Milo, Nobleford, Barons, Carmangay, Champion, Vulcan, Blackie, Claresholm, Granum, Pincher, Warner, Milk River and Cardston. Sidings and station premises at these points will be maintained for freight and passenger traffic. No employee with more than two years seniority will lose employment.

Four main advantages are claimed for the proposed new system:

1) Service would be available, by free long distance telephone, at all times. At present, the one man local agencies are closed nights and weekends.

2) The concentration of staff and new data processing equipment at Lethbridge would provide the customer with full and accurate information more rapidly.

3) Expansion of service would be possible through the classification of all stations as "open" for carload traffic.

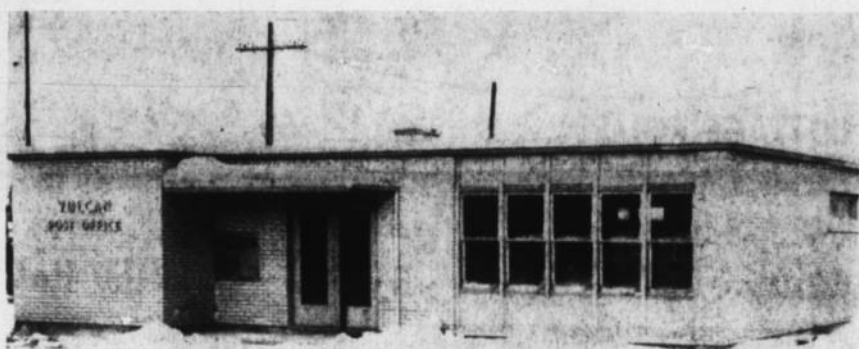

4) Instead of the customer going to the station to see the agent, the agent's place would be taken by personnel who are mobile and able to go to the customer.

## DEFENDENT CONFUSED

The witness wore a baffled look when he appealed to the court. "I just don't know what I'm going to do, judge," he declared desperately.

"Why, what seems to be the matter?" asked His Honor.

"Well, I swore to tell nothing but the truth," explained the witness, "but every time I try it, some lawyer objects."

SATURDAY IS MOVING DAY

## Rites Held For Elizabeth Fulton

A resident of Vulcan and district for 58 years, Miss Sarah Elizabeth Fulton, aged 64, died March 10, 1965. Born in Neepawa, Man., she came to the Vulcan district as a child in 1906 when her parents homesteaded here and resided on the farm until 1942, when she moved to town. She was a member of the Vulcan United Church.

Surviving are three sisters, Mrs. Edith Dunham and Mrs. Myrtle Rutberg, both of Vulcan, and Mrs. Pearl Brownlee, Lethbridge; four brothers, Roy George and Charles of Vulcan and Melvin of Calgary.

Services were conducted by Rev. Wellington Dornier at the Vulcan United Church on Friday, March 12. Pall bearers were Ronald Dunham, Nelson Eamor, Melvin Eamor, Calvin Rutberg, Victor Fulton and Owen Fulton and interment was in the Vulcan cemetery.

The Vulcan Funeral Home was in charge of arrangements.

## Winter Still Hanging Around

Just when the water was running merrily down the streets and ditches and it seemed that the corner leading to Spring just might have been turned old man winter decided to give us another shot of the cold weather that's been all too prevalent these past few months.

Monday's colder weather was accompanied by about four inches of snow and the forecast for Tuesday night was a chilly 10 below zero. But it will soon officially be spring, according to the calendar, so hang on — it's bound to get warmer soon.

The name of the Bay of Fundy is from the Portuguese phrase, Rio Fundo, meaning deep river.

## Annual Supper Meeting

# Howard Spaeth President Men Curlers for 1965-'66

## Champion Man Killed In Highway Crash

Residents of Champion and district were shocked and saddened to learn of the death of Gordon Petronech in a highway accident near Lethbridge on Wednesday, March 10. Seriously injured in the same accident was Jim Hopkins, also of Champion. The accident occurred when the pickup truck occupied by the two Champion men was in collision with a semi-trailer unit on No. 3 highway.

Gordon Gregory Petronech was born in Lethbridge, the youngest son of Mr. and Mrs. George Petronech. He was 50 years of age. He served in the Canadian Army for two years and was a member of the Royal Canadian Legion Chmpion Branch 262. He farmed at Coaldale for some years before moving to Champion in 1954 where he also farmed.

He leaves to mourn his passing his beloved wife, Elizabeth; two sons, Gordon Jr., and John; one daughter, Leshe; his parents, Mr. and Mrs. George Petronech, Coaldale; one brother, John, Lethbridge, numerous other relatives and a host of friends.

Funeral services were held from Martin Bros. Funeral Chapel, Lethbridge, Saturday, March 13, at 10:30 p.m. Rev. Bruce Fyke of Champion read the last rites.

The Champion Branch of the Royal Canadian Legion was in charge of the graveside service. Pall bearers were: Ted Fedaj, Melville McLean, Fred Fleming, Peter Shologan, Evan Harris and Peter Rovenko. Interment was in Archmont Memorial Gardens, Lethbridge.

The annual meeting and supper of the Vulcan Men's Curling Club was held at the clubhouse Monday evening, March 15, with 30 curlers in attendance. A supper of Chinese food, enjoyed by everyone, started the evening's proceedings.

Outgoing president Blain Middleton spoke briefly on the past season's activities and a financial report showed that the season wasn't as bad financially as most of the members thought it might be.

The new slate of officers for the 1965-66 season was then elected, with Howard Spaeth accepting the position of president. Dan Watson was named first vice-president and Don Munro was re-elected as secretary-treasurer. Members of the executive committee are Gale Atkinson, Burnell Drummond, Cyril Rebalkin, Mel Jordan and Dick Hammer.

Discussion then centred on ways and means of rejuvenating the interest in curling. All centres seem to be suffering the same fate, but it was felt that there are many people who enjoy curling and would like to curl but weren't; and it was hoped that by forming various leagues and starting more mixed curling that most of these people could be enticed back to the curling fraternity. The new executive are certainly going to give it a try.

One other aspect of discussion was that Vulcan must host the Foothills bonspiel next January and considerable preparations will be necessary to ensure that this event will be an outstanding success.

# Active Year Planned By Chamber

Increased membership, shopping day events, and an active part in the business life of Vulcan and district were goals set for 1965 at the first meeting of the executive of Vulcan District Chamber of Commerce, under president Mel Jordan, on Wednesday, March 10.

It has been agreed that membership in this farmer-businessman's organization has not been the same since the heavy hand of Earl Erickson was no longer felt as membership chairman. His help, and that of other volunteers, were sought in this year's campaign headed by J. V. Christensen and it is hoped that a stronger farm as well as town business representation will result.

Farmers feeling the pinch of the steady four bushel quota on grain shipments during the winter have received support of the Chamber. Two telegrams were sent to the Canadian Wheat Board complaining of this situation which saw Vulcan below the general average quota throughout this area. Other shipping points have been on a five bushel quota and some are up to six at present. A five bushel quota has recently come into effect here.

An appeal is also being sent to the Greyhound Bus Lines and the CPR to see if a change may be made in their schedules through Vulcan. Presently both transportation mediums go in the same direction at the same time and a

change in either bus or train schedules is requested. Greyhound operates a daily schedule going north each morning of the week. The CPR runs its service Monday, Wednesday, Friday and Sunday mornings, returning at night.

The Chamber will give its full support to the town's spring

clean-up campaign which will be organized within the next two months.

To ease the plight of strangers to Vulcan a directional sign is being planned which will give location of such places as the hospital, schools, county office, town office, etc.

Support will be given to the Lethbridge Chamber of Commerce in its bid for a University to be established there.

Sponsorship will again be given to the district finals in the 4-H public speaking contest to be held at the County Central High School auditorium Saturday, March 27.

The head of the Alberta Fish & Game Association and leaders, past and present of the Vulcan and District Fish & Game Association, are shown above following the recent Sportsmen's

Night, held to mark the end of another year of activity for this group of sportsmen. At left is John Andrews, starting his term as president. Next is Bill Holton, president for the first three year's

of the association's organization. With him is Henry Lembic, Alberta president who spoke at the banquet and at the right is another charter member, Glen Dahl, president for the past two years.

## FROM THE LEGISLATURE

Ray Speaker M.L.A.

The highlights of this past week of session were the closing of the Throne Debate; The Budget on Wednesday evening; resolutions requesting safety devices on tractors, a youth seminar, and pheasant farms; and the consideration of Bills.

A total revenue of \$471,144,010 and a total expenditure of \$493,782,862 leaving a deficit of \$22,638,852 was predicted in the 1965-66 fiscal budget introduced by Provincial Treasurer, A. D. Aalborg. It showed Health receiving 30.7% or \$120,124,150; Education—29.67% or \$116,092,260; and Welfare—7.5% or \$29,375,280. We find again that over 65% of our budget is allocated to our physical and mental care. Mr. Aalborg had this to say of the deficit: "The deficit which appears in this budget is clearly a stern warning to the Honorable members that the pattern of our expenditures is threatening to outgrow the cloth of our revenues and that if this trend is not checked and abated the taxpayers of Alberta will have to be called upon to supply more cloth. This deficit is clearly a danger signal. It should remind the citizens of the Province and their elected representatives in this assembly that any acceleration in the continuing heavy demands for more and more social services and construction programs at public expense will inevitably lead to more and higher taxes, or a return to the debt ridden days of the past from which the people and the Government of the Province fought so long and hard to emerge during the early years of the present administration. We can steer clear of this hazard only if demands for further increases in government spending are moderated to keep pace with rising revenues from present sources."

On Thursday of this week, Robert Clark M.L.A. moved and I seconded the following resolution: "That the government be asked to give favorable consideration to calling a youth seminar for the purpose of enabling youth of Alberta to consider and express their ideas and opinions on current social, economic and moral trends in modern day society". To help clarify the need for such a seminar I would like to quote from my address on this subject to the Assembly. "We are asking for a

Turner Valley on Saturday.

Mr. and Mrs. Jim Clark were to High River Saturday on business. Sympathy is extended to the Lucas families on the passing of Mrs. James Lucas in Calgary last weekend.

Sunday visitors at the home of Mr. and Mrs. Eddy Nolte were Mr. and Mrs. Nick Zombori, Tracey and Monica of Picture Butte and Mr. and Mrs. Gary Nehr and family of Diamond City, Alta. Mrs. Blanche Lewis and Gladys accompanied them back home and will visit at the home of Mr. and Mrs. Lewis at Picture Butte.

Ross Clark returned home last Thursday after spending several days in the local hospital.

Mr. and Mrs. Jim Clark were Lethbridge visitors last Monday.

Mr. and Mrs. George Sandberg, Geo. Jr. and Ronnie were in Calgary on Sunday for the christening of Tracey Lynn Kreutz at the Mount Calvary Lutheran Church. Mr. and Mrs. Leonard Kreutz and son David of Wetaskiwin also attended. They are Tracey's godparents. Dinner was held at the home of Tracey's parents, Mr. and Mrs. Larry Kreutz.

Mr. and Mrs. Harold Bride attended the Eastern Star Tea in Lethbridge Saturday.

Visitors over the weekend at the home of Mr. and Mrs. Henry Stefensen and son in Calgary were Mr. and Mrs. Cliff Andrews of Vulcan and son Fred Andrews of Edmonton.

Elizabeth Dingwall of High River spent the weekend at her home in this district.

The house cat is believed to be a cross between the sacred cat of Egypt and the European wildcat.

gathering of a representative body of youth—not to call them together to tell them they are apathetic, irresponsible, or misguided or to tell them to arise and fight against their parental generation—but through the media of discussion and papers, to collect many relevant facts, weigh and balance, delineate, and arrive at various conclusions concerning the need to retain, revamp, and to create new approaches to our economic, social, and moral situations which exist today." Then in my conclusion I outlined some of the specific items to come out of the seminar. (1) a possible confirmation or change of present attitudes, (2) new ideas or the seeds of new ideas; and (3) most important we as a government can be in a position to hear the youth speak out for themselves, assert their place and position in our province, and then find our place as a government in relation to the youth of our province. We can be better informed, better prepared to help youth help himself, better prepared to create a pattern for youth to carry on." As a further comment I would say that this resolution was motivated by the concern for the young person to get a start in life, that is in all areas—farming, business, professions etc. If anyone has ideas for the above seminar (if passed) or wish to partake feel free to contact me.

The resolution asking for the establishment of commercial pheasant farms is just being introduced to the House as the Mover, Mr. Bill Patterson M.L.A. adjourned debate on Thursday and will continue to move the resolution next Tuesday, March 9. I will be speaking to this resolution pointing out to the House that the people of Little Bow, ones at the Pre-session meetings, members of the Fish and Game, and other individuals have felt that there is not a need to establish these farms at this time, for the various reasons that have been related to me from these bodies.

An important Bill introduced by Hon. Mr. Hooke, Minister of Municipal Affairs, for the Exemption from Municipal Assessment and Taxation of Properties used for certain Benevolent Purposes came under discussion in the Committee of the Whole this week. Over the last 60 years the Legislature has, by private Act granted exemptions from municipal assessment and taxation to various benevolent organizations. At present there are over 77 such Acts on the Statute roll. Applications for such Acts have increased enormously in the last few years because of the effect of the school foundation program. This Bill will provide a procedure for obtaining exemptions without the necessity of petitioning for a private Act.

Quote of the Week—Mr. Aalborg: "Total Municipal assistance for last 16 years is \$1,571,857,686 and our total oil revenues for those years were \$1,663,000,000."

### — LAST WEEK'S MARKET REPORT —

#### THE CATTLE MARKET AT PRESS TIME:—

Good to Choice Butcher Steers \$20.50 to \$22.50; Good to Choice Butcher Heifers \$18.50 to \$20.50; Good Cows \$12 to \$14; Common to Medium Cows \$10 to \$12; Cannors and Cutters \$7 to \$9 or subject; Good Feeder and Stocker Steers \$19 to \$21; Good Feeder and Stocker Heifers \$15 to \$17; Good Steer Calves \$21 to \$24; Good Heifer Calves \$16 to \$18; Good Stock Cows \$16 to \$20. This price is quoted on good, well fleshed young stock cows ready to calve. Don't expect anything like this on those old, wide muzzled, bad bagged, thin cows. These sell for \$80 to \$125.

OPEN MONDAY EVENINGS UNTIL 11:00 P.M.—  
Please Bring your Cattle on Monday — It will pay.

#### THE HOG MARKET—

Our market was sharply higher on all classes of pigs, except those little fellows we call piglets. It appears that some people are weaning too soon and are thus losing some potential profit. Piglets \$5 to \$8; Good Weaner Pigs \$8.50 to \$11.50; Good Feeder Pigs \$12 to \$24; Piggy Sows \$35 to \$70; Boars \$15 to \$45; Baby Calves in good demand at \$15 to \$50; Milk Cows are slow at \$125 to \$175.

Bill Olsen, office worker,  
got a Scotia Plan Loan  
—\$800—in 24 hours

Bill Olsen had too many bills. Things seemed to be getting out of hand and Bill was worried. Fortunately for Bill a good friend suggested he take his money problems to his nearest Bank of Nova Scotia. Bill was introduced to the manager and after a few simple questions about his job, income and how much money he needed Bill started to see his money problems disappearing.

Within 24 hours Bill Olsen knew he would have all the money he needed to pay all his debts. Of course, this actual customer was not named Bill Olsen—and not all Scotia Plan Loans take 24 hours—the time varies with the circumstances. But there are more and more

people with all kinds of names and jobs coming to The Bank of Nova Scotia to have their money problems solved—quickly. Why don't you?

How much money do you need? A Scotia Plan Loan is one of the best—most practical ways for you to consolidate your debts. Your loan is life-insured at no extra cost. You get speedy service. You get the other advantage of dealing with the interested Scotiabank people. So talk over your money problem—whatever it is—debt consolidation—a new car—with the people at your nearest Scotiabank. They're ready and waiting to help you get the money you need.

## District News

### REDLANDVIEW

Congratulations are extended to the grandparents, Mr. and Mrs. Gordon Clayton on the birth of a granddaughter and also to the lucky parents, Mr. and Mrs. R. A. Clayton of St. Paul Alberta. Mrs. Gordon Clayton who was at the home of her son and daughter-in-law for five weeks, has now returned to her home in Vulcan.

Miss Lynell Fulton was a visitor to Calgary last Saturday and then spent the remainder of the week-end with Miss Maureen Setters in Arrowwood.

Mr. and Mrs. Alvin Jacobson and Clara motored to Medicine Hat on Wednesday and visited with relatives Mr. and Mrs. Warren Kimmitt. On Thursday they visited with relatives at Bow Island, Grassy Lake and Taber. Mr. and Mrs. Kasper Klotz accompanied the Jacobsons.

Mr. and Mrs. Arthur Cutforth and Mr. and Mrs. Bill Cutforth were in High River one day last week where they visited with Mrs. Cutforth's father Mr. Ohler who had just returned from a five week visit to Phoenix, Arizona.

Deepest sympathy is extended to the Fulton and Dunham families

on the passing of Miss Elizabeth Fulton in the Vulcan Hospital on March 10th.

Guests at the home of Mrs. Edith Dunham last week were Mr. and Mrs. Mel Dunham and Mr. and Mrs. Melvin Fulton of Calgary; Mrs. Pearl Brownlee, and Dr. and Mrs. George Piasiki and daughter Sandra of Lethbridge.

Elmer Plourd of Creston, B.C., visited with many of his friends in the district last weekend.

Mr. and Mrs. Eric Delmire were visitors to Warner on Saturday.

Mr. and Mrs. Owen Fulton were Calgary visitors on Thursday and were accompanied home by the former's mother, Mrs. Lorraine Fulton.

Mr. and Mrs. Bill Cutforth attended a Camera Club meeting in Claresholm last Wednesday evening.

Mr. and Mrs. Andrew Nafziger were visitors to Lethbridge on Thursday.

Ken Hartung attended the band workshop at Milton Williams School in Calgary last weekend.

Mr. and Mrs. Bert Methel and the former's sister, Mrs. Taylor of Calgary were Sunday guests at the home of Mr. and Mrs. Art Cutforth.

Mr. and Mrs. Victor Fulton and Laura motored to Calgary on Saturday to visit Mrs. Fulton's brother Norman Buchler who is very ill.

Monday night supper guests at the home of Mr. and Mrs. George Hartung were Arthur Dee and Jim Thomas of Calgary.

Mr. and Mrs. Melvin Fulton of Calgary were visitors on Thursday at the home of Mr. and Mrs. George Fulton.

David Coe of Lethbridge, who just recently returned from Germany where he was an M.P. for the army, visited at the home of Mr. and Mrs. Arthur Cutforth on Monday.

### LADIES SUNSHINE CLUB

The regular meeting of the Ladies Sunshine Club was held at the home of Mrs. Margaret Clayton on March 11 with 14 members and one visitor in attendance.

President Mrs. Hazel Giles, conducted the meeting assisted by secretary-treasurer Mrs. Lillian Hartung.

The ladies had recently catered to the Chamber of Commerce Luncheon. A report on this project proved very successful.

Correspondence included thank-you cards from the Christian Children's Fund, the Albert Markert family, Mrs. Irene Cutforth and Mrs. Lillian Hartung. Another donation toward the Korean Foster child was received.

It was agreed that the members would serve lunch at the Cockshutt Family Night Program on the evening of March 24 at Redlandview Hall. Mrs. Anna Witting read a perfect recipe for preserving children. Mrs. Katherine Nafziger won the tea prize.

At the conclusion of the meeting a delicious lunch was served by the hostess assisted by Mrs. Donald Giles. The April meeting will be held at the home of Mrs. Thora Burrell.

Newspapers are the only medium offering the magnetic appeal of classified ads.

### CARMANGAY

Few ladies of the West Club attended a surprise birthday party for Mrs. Carrie Davies on Thursday, March 11, at the home of her daughter, Mrs. W. Griffen at Champion.

Mr. and Mrs. W. F. Ewing and Patricia were Sunday guests at the home of Mr. and Mrs. Bob Niven.

The Carmangay Home and School Association will meet on March 18 at 8 p.m. in the school. Mr. Hawkesworth will be guest speaker and will discuss the centennial student exchange plan. A social hour will also be held.

### 4-H PUBLIC SPEAKING

In the recent Claresholm-Granum 4-H public speaking eliminations Jim and Frank Shearer were victorious. Jim received first and Frank second, but Frank won the trophy since Jim had won the same award last year.

The topic chosen by Jim was Sir Winston Churchill, and The Canada Mysore Project was Frank's topic. Frank also won the Oddfellow's and Rebekah's elimination in public speaking, the finals will be held in Fort McLeod on March 27. The winner gets a tour to the United Nations in summer.

### HEATHER CHAPTER HOSTS LODGE OFFICIALS

Approximately 80 members of the Order of the Eastern Star and Masons gathered in the Masonic Hall for the official visit of Jessie Kennedy, Calgary, Worthy Grand Matron to Heather Chapter No. 51. Other officers in attendance were Mrs. T. Baldwin, Grand Chaplain, Calgary and Mrs. Norrie, Grand Esther, Lethbridge.

Guests were from Calgary, Lethbridge, Claresholm, Granum, Picture Butte, Vulcan, Champion and Creston.

Harold Annable, Master of Ceremonies, introduced the guests.

Worthy Grand Matron gave a talk on The Old and The New. Mrs. R. Kotkas, Mrs. D. Shearer and Mrs. R. Lyckman sang When My Dream Boat Comes Home.

Prior to the sessions a banquet was held in the United Church basement hall, catered to by the United Church Women.

### KIRKCALDY

Mr. and Mrs. Glen Greene accompanied by Mrs. E. Akitt of Carmangay attended the Capping and Candle-lighting ceremony at Lethbridge in the auditorium of the Galt Hospital to witness Miss Marilynne Greene, a nurse-in-training receive her cap in an impressive ceremony.

Mr. and Mrs. Stan Comstock and boys were High River visitors on Saturday.

Mr. and Mrs. Wayne Scoble and family of Calgary were Sunday visitors at the home of Mr. and Mrs. Morley Scoble.

Mr. and Mrs. Arthur Jones accompanied by Mrs. Evan Munro were Lethbridge visitors on Thursday of last week.

### Unions Liable, Too

A Canadian Spokesman for the United Steelworkers of America says that he doesn't know how the union will be able to pay \$2,359,319 damages awarded to the Gaspe Copper Mines Ltd. of Murdochville, Que., for damage in the course of a violent strike against the company. The United Steelworkers and other unions have been building up strike funds for many years and these strike funds are known to amount to millions of dollars. If there is a brotherhood in the union movement, which there is sometimes said to be, the union being assessed for more than \$2 million should be able to get help from other unions. Fees collected from individual members are quite high and could be lower if unions always behaved themselves and union leaders did not force on the membership unnecessary strikes.

## DISTRICT NEWS

FROM OUR CORRESPONDENTS

## MILO

## HOME &amp; SCHOOL ASSOCIATION

Due to the inclement weather only a small number of members attended the Milo Home & School meeting held in the library March 15th.

Mr. Hawkesworth was present to give a very interesting report of the Centennial Student Exchange program. A decision on disbanding the County Home & School Institute was tabled until after the Area 8 H & S Workshop in Lethbridge.

A decision was made to hold a card party in the auditorium on March 20 to raise funds to send a delegate to the convention. Each member is responsible for inviting two couples.

A letter from the T.B. Association was read informing the members that the Chest Unit will be in the Foothills Health Unit area during the summer. Confirmation to come later. A bake sale followed the meeting.

## ENSIGN

Mr. and Mrs. B. Brown and Mr. and Mrs. C. Mote attended the card party at Kirkcaldy Friday evening, March 10.

Mr. and Mrs. Art Finlayson are home again after a long holiday spent at the west coast.

Mr. and Mrs. N. Flebotte were Lethbridge visitors on Friday. Lee returned home with them for the weekend.

Mrs. E. Thorp and Beverley, Mrs. O. Paton and Mrs. A. Fisher were Lethbridge visitors on Saturday.

Congratulations to Mr. and Mrs. Russell Markert of Kitimat, former residents of Ensign, on the birth of a son.

Mr. and Mrs. B. Brown were weekend visitors at the home of their son-in-law and daughter, Mr. and Mrs. Doug Loose of Magrath.

Sunday dinner guests at the C. Mote home were Mr. and Mrs. Bob Miller and family of Calgary.

Mr. and Mrs. Earl Mote spent Sunday with relatives at Fort Macleod. Little Michael Brooks returned home with them to spend some time with his aunt and uncle.

Mr. and Mrs. C. Mote attended the funeral in Lethbridge Saturday morning for the late Gordon Petronch of Champion.

## CARMANGAY

## HIGH SCHOOL BONSPIEL

Carmangay Annual High School Bonspiel was held March 12-14. There were 27 rinks entered in this annual event. Play started off at 5:00 p.m. Friday and ended Sunday at 9:30 p.m.

The following rinks won prizes in the three events:

First Event—1, Terry Lyons, Barons; 2, M. Roeloffs, Lethbridge; 3, B. McIntosh, Granum; 4, D. Hubka, Carmangay.

Second Event—1, Larry Stettner, Carmangay; 2, Kenny Allen, Barons; 3, P. Sanderson, Champion; 4, R. McNiven, Vulcan.

Third Event—1, P. Kotkas, Barons; 2, T. Moore, Creston; Carmangay; 3, D. Baldwin, Carmangay; 4, G. Fletcher, Vulcan.

Grand Aggregate winner this year was the Terry Lyons rink. First rink out was the DeBoer rink from Barons. Two rinks tied for big ends, Lyon and Stettner.

## C.W.L. MEETING

The regular meeting of the Carmangay C.W.L. was held at the home of Mrs. F. Hubka on March 4, with a fair attendance. President Rosella Hubka welcomed one visitor, Marg Dillman, to the meeting.

Plans were finalized for the parish party which was held on March 14. Report forms were given out to the conveners and are to phone in their own report to Mrs. R. Parker. Spiritual convener read an article, Confession.

Lunch was served following the meeting.

## C.W.L. SPONSORS PARISH PARTY

A very successful parish party was held in the United Church basement, March 14, sponsored by the C.W.L.

A short program was held in which Sandra and Douglas Kryzanowski played piano selections and Paul and Heraline Plourd of Lethbridge sang a duet.

Mrs. H. Plourd won the Ladies' Nail-driving Contest, and was given a novelty prize. The contest for the men was indeed a struggle, putting on a pillow case. Father Marien and Frank Hubka won this achievement.

The children took part in different types of relay races.

A very bountiful buffet luncheon was enjoyed by all.

## School Essays Mark Education Week

Education Week was observed this month and at Hazel Cameron Elementary School in Vulcan essays on education were written by the students of Grades 4, 5 and 6. What education means to these young students is illustrated by the winning essays from each of the three grades, printed below.

What does education mean to me? It means that whatever I wish to be, I may. If I do my job well, I will have lifted darkness from some corner. To do this task it is a necessity to have a good education. When I see a happy face or a delighted grin which painstakingly I labored to achieve, I shall remember the years of training I had in schools. Whatever I do, and whatever I say will rely on my education.

Our lives can be compared to a plant. We're born just as a seed is formed. We're taught in schools as a seed is planted. If the seed is planted in dry weather, it is like us if we waste our precious time in school. A seed will be stunted for life if the drought lasts too long. A child not receiving an education will be like the stunted plant. Finally ripening, the plant gives what it has to offer to the world. A better beginning will make a better harvest. If we expect to leave something in this world besides sorrow, we must have an education.

This is why I know that education is the key to success.

Jean Hansen—Grade 6

Education is a learning process by which we are taught skills, knowledge, and training. Any process by which people are made more productive or useful is educational. We must have education because without it we can not fill a very satisfying occupation and when we do get a good education we are better able to serve society.

From birth till we are five years old, we are taught the civilization program. In it we are taught habits of cleanliness and good manners; to act like ladies and gentlemen.

When we are six years old we start school and the teachers take charge of us. In elementary school we learn skills such as reading, writing, arithmetic, in other words, we learn to communicate with other people.

Next we attend secondary school or high school where we learn higher skills and knowledge such as algebra, chemistry and biology. This is the climax of our public school education, and it prepares us for entrance to university. Here one would follow a branch of learning to become a doctor, lawyer, engineer, nurse, teacher, scientist or a psychologist, to mention a few of the professions.

There are also agricultural colleges where the farmer, rancher or dairyman may learn the latest methods in his field.

We need education because with out it we would live on a much lower level than we now enjoy. "Man Doth not live by bread alone." Education permits man to make progress towards a full and happy life.

Ricky Klippert—Grade 5

What does education mean to me? It means teaching me how to get along with people. It helps me to decide right from wrong. An education also builds a foundation for a future job. Just think what we would do without an education. We wouldn't know a thing and therefore we couldn't get a job. I think an education is a good thing to have. If I couldn't have one I don't think I would be a very good citizen.

Beverly Burgess Grade 4

## COUNTY CENTRAL HIGH SCHOOL HI-LIGHTS

A team of three students from game. The boys playoffs will be held on March 20 in Vulcan.

A County League basketball tournament was held on March 13, with both girls and boys trophies being won by Milo. Girls high scorer was Donna McCord, with 23 points, from Milo. High scorers for the boys were Gerald Cutforth and Brian Lebsack from Vulcan, and Leonard McCord, from Milo, who made 41 points in one game.

The Social Studies Club is sponsoring a speaking contest within the school for those who are not old enough to compete in the UN contest. The finals will be held early in May in the high school.

## Hogs, Axehandles and Woodpeckers

"Hogs, Axehandles and Woodpeckers" is the title of a pamphlet that came to my desk one day. It began with the story of a visitor to the Ozark Mountains. He saw a herd of hogs acting very peculiar — running one direction, stopping and listening, then running in another direction.

"I'm confused" the visitor said to the owner of the hogs. "You're confused? What do you think the hogs are? When they were younger I would pound on the feed trough with an axe handle and they would come running for their food. Last week a flock of woodpeckers flew into the woods. They've driven the herd of hogs crazy."

I do not wish to press a comparison too far but many people find themselves in a situation somewhat comparable to the previously mentioned animals. Many people are highly frustrated mentally and spiritually. As a result

their religious life bears the brunt of it.

A rationalist proposes a certain theory that to the naive or uninformed sounds good. It really seems to fit into the pattern of life — and so the stampede is on. Into the direction of the "thumping" goes the mob. When they arrive — just a woodpecker on a hollow log!

I suppose this happens because man is basically an adventurer. This is good provided his adventures do not lead him from revealed truth to mere theory. For an age of frustration the Apostle Paul has these words of wisdom to suggest: "For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears. And they shall turn away their ears from the truth, and shall be turned unto fables. But watch thou in all things, endure affliction, do the work of an evangelist, make full proof of thy ministry." II Timothy 4:3-5.

## Report From Parliament Hill

Lawrence E. Kindt M.P.

After a two month recess Parliament is now engaged in attempting to finish this, the longest parliamentary session in history. Apart from a number of minor pieces of legislation (all of which were passed in about two hours last week) Parliament was faced with three very important pieces of legislation:

1. The Federal Labour Code.
2. The Canada Pension Plan.
3. Constitutional Changes, which, among other things, permit Provinces to "opt out" of any joint Federal-Provincial Plan, e.g., the Canada Pension Plan.

The new Federal Labour Code was placed before parliament last weekend, and in general terms, it provided that all employees under the jurisdiction of the Federal Government would have a minimum wage of \$1.25 per hour, with a forty hour week. Certain other benefits, such as two weeks' vacation with pay, and eight statutory holidays were also included.

Everyone agreed with the principle of this legislation, but there were a number of details that caused a great deal of debate and, in all fairness, the Government accepted a number of the suggestions made by the Opposition in the form of amendments. In its final form the new Labour Code is quite satisfactory, although there are still a number of very complicated matters which will undoubtedly cause much difficulty in its administration. Two of the main problems concern the trucking industry and small privately-owned feed mills in eastern Canada.

In brief, the main problem affecting the trucking industry is that trucking firms operating only within one province are not subject to the wage hour restrictions, whereas trucking companies that operate between provinces must abide by the new wage and hour

regulations. This, of course, places those companies doing interprovincial business at a considerable disadvantage. In addition, many truck runs take longer than eight hours in a day. Some of these difficulties have been overcome in the legislation by permitting the "averaging out" of hours of work and by permitting the Minister of Labour to suspend the operation of the Act for almost an indefinite time where certain industries are seriously injured or placed in an unfair competitive position as a result of the legislation.

Another big problem concerns employees of grain elevators. It is quite clear that employees of grain elevators in western Canada, because of their particular nature, should come under the jurisdiction of the new Labour Code. This, however, should not be the case in the small privately-owned feed mills in eastern Canada. While amendments to the legislation may well give some relief to the problems faced by the operators of eastern feed mills, it is the writers' view that the existing legislation in this particular regard is a serious infringement of provincial rights and may well be illegal.

The "Canada Pension Plan" and Constitutional Changes and Opting Out", will be discussed in subsequent articles.

Representatives of the four western Canadian provinces inspect the approved design of their joint pavilion at Expo '67, at a recent meeting in Edmonton. I. Bleg, of Manitoba, commissioner general of the western provinces participation,

points out an interesting feature to H. E. Martin, Director of Publicity and Advertising for Alberta; the Hon. W. Gardiner, Saskatchewan Minister of Public Works; T. Sturgess, Deputy Minister of Industrial Development, Trade and Commerce for British Columbia; and J.E. Oberholtzer, Deputy Minister of Industry and Development

for Alberta. The resources and development of the four western provinces will be exhibited in the main pavilion, which is an architectural expression of the topography and character of the four western provinces. The second, smaller building will be devoted to the cultural and social activities of the west.

### LOMOND

Mr. and Mrs. Pete Ruppert, Billy and Marie were Sunday visitors at the Ralph Richardson home at Berrywater.

Alec Fraser and son Bobby were business visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Mervin Liebrich and family were Lethbridge visitors on Saturday.

Mr. and Mrs. Floyd Howg were Lethbridge visitors on Thursday of last week.

Mr. and Mrs. Jim Lay were visitors in Lethbridge on Tuesday of last week.

Among other visitors in Lethbridge last Tuesday were Mr. and Mrs. Billie Bolduc and family, Mr. and Mrs. Earl Helland and family and Roland Hanna.

Winning the first event trophies in the Ladies' Open Bonspiel played at Lomond recently was the rink skipped by Hilda Teasdale, 3rd, Peggy Benson; 2nd, Lillian Hostetter, and lead, Loretta Gerhan. Congratulations girls.

On February 23rd members of the Birthday Club and friends met at the home of Mrs. John Zuba to inspect her rug making loom and to prepare rugs for weaving. While some prepared strips, others were sewing strips together, and others were helping and observing the rug making process. In all there were 8 women in attendance and the three men present took turns manipulating the press. A delicious lunch and a very pleasant afternoon was enjoyed by all.

During February the following people were dinner guests at the home of Mr. and Mrs. Albert Johnson: Mr. and Mrs. Sven Varhaug of Enchant, Mr. and Mrs. Jim Foreman and family, Mr. and Mrs. Wallie Dorchuk, Mr. and Mrs. Jack Williamson and family and Pastor and Mrs. Berg and family.

Best wishes for a speedy recovery are extended to Mrs. Jim Foreman who was a patient in the Vulcan Hospital last week.

David Sande accompanied by Mrs. Reg Frost and daughter Marilyn were visitors in Calgary on Friday and Saturday of last week.

Jimmie Hanson of Claresholm was a weekend visitor at his home in Lomond.

Mr. and Mrs. Johnnie Gray and Gordon were visitors in Lethbridge on Saturday.

#### ST. JOHN'S ANGLICAN GUILD

The members of St. John's Anglican Guild met Tuesday evening, March 9, at the home of Mrs. Alice Clifford. There were eight members and four visitors present. The meeting was called to order by Mrs. Goldthorpe, who took the chair, as the president, Mrs. Frost, was unable to get to the meeting until later in the evening.

Plans were made to cater to the Lions supper meeting, April 6th. Sewing material for the annual Bazaar was shown. Anyone wanting material to sew is to contact a guild member. Books of Common Prayer are to be purchased to be presented to the confirmation candidates. The confirmation will be held Sunday morning, May 9. A luncheon honoring the candidates will be planned for the following week. Treasurers report was read and accepted.

Rev. Cowell gave details of the visit of Rev. and Mrs. Chitomo, missionaries from Tanganyika. As the Lomond members feel it is impossible to hold a morning service here on a week day it was decided to try to plan on attending the

service at Vulcan on Tuesday evening, April 13th. If possible it would be nice to have them speak at the school here as they will be doing in Vulcan. Rev. Cowell also mentioned the topics of some of the services to be held during Lent.

New officers for this year are: President, Mrs. Peter Ruppert; vice-president, Mrs. Norman Kunkel; treasurer, Mrs. Reg Frost; social convener, Mrs. Ruppert, secretary, Mrs. Chase.

The next meeting will be held at the home of Mrs. Kunkle. On lunch are Mrs. Fraser, Mrs. Frost, Mrs. Goldthorpe and Mrs. Gray. A lovely lunch was served by the hostess and social committee to end a very pleasant evening.

#### BIRTHDAY CLUB

Mrs. Rose Stanko was the hostess for the March 11 meeting of the Birthday Club. Twelve members and four visitors were present to open the meeting by singing. Roaming in the Gloaming. Roll call was answered by How to limit long telephone calls. A number of varied ideas were presented.

Further discussion was held regarding the completion of rugs for a raffle. A letter from the FUA regarding the Community Recreation Fund brought forth some discussion. One of the visitors was welcomed as a new member of the club. Mrs. Stanko brought to the club's attention that the CWL would like the use of the Badger Lake School for a bake sale, card party and raffle in April, a week before Easter.

The meeting closed by singing When Irish Eyes Are Smiling. Mrs. Florence Hart conducted the afternoon's entertainment, and had an interesting nursery rhyme contest which was won by Ricky Stanko. Mrs. Elmer Hamm and Mrs. Verda Honess were the honored birthday members for March.

Mrs. Honess was the winner of the raffle. Though the March winds and snow were blowing, a very pleasant afternoon concluded with a most delicious lunch served by the hostess and helpers.

In 1963 in the United States the value of the Gross National Product per worker was \$8,486; in Canada, in terms of U.S. dollars, it was \$6,266.

Champion, Ata.

Tommy Joe Coffey, outstanding athlete, lends a big hand to the 1965 Easter Seal campaign. His appointment as Honorary Chairman for the province of Alberta, succeeding Edmonton Eskimo football star, Frank Anderson, was announced today by Dr. R. D. Banister, president of the Alberta Council for Crippled Children and Adults.

As Honorary Provincial Easter

Seal Chairman he will campaign extensively on behalf of the Easter Seal Services and drive for funds which gets underway Thursday, March 18.

Tommy Joe Coffey, a graduate of West Texas State University and holder of a Bachelor of Science degree, is a teacher at the St. Albert Public School, District No. 3. An outstanding sportsman and a member of the Edmonton Eskimo

football team for the past five years, he has many outstanding achievements to his credit. He won the President's Award in college for outstanding athlete and was named the outstanding lineman in the Copper Bowl game. He set a Western Canada record for receptions and yards gained on passes last year when he caught 81 passes for 1,126 yards.

### CHAMPION

Mrs. H. E. Smith has returned home after spending three weeks in the Carmangay Hospital.

Mr. and Mrs. Livio Pasoli and Kenny were Calgary visitors last week. Mrs. Pasoli remained for a few days owing to her mother-in-law's illness. Mrs. Pasoli, Sr., is a patient in the General Hospital.

Mrs. Allan Buchanan and new wee daughter, Nancy Lee have arrived home from the Vulcan Hospital. Bud Schneider is relieving at the

Beaver Lumber Co. in Vulcan for a month. During his absence W. H. Mullinger is looking after the local lumber office.

Mr. and Mrs. Jim Ashmore were visitors in the district for the weekend.

Several cars of friends from Champion attended the funeral rites for the late Gordon Petronech held in Lethbridge last Saturday morning. Among those from out of town who attended the funeral were Mr. and Mrs. Peter Trach of Standard, Mrs. Morris Kuziw, Mrs. Minerva Hammer of Hussar and Mrs. Dora Nowlin of Mirror.

Visitors at the home of Mrs. Gordon Petronech during the past few days were Mrs. Petronech's brother and sister-in-law, Mr. and Mrs. John Mason of Winnipeg and her brother-in-law and sister, Mr. and Mrs. Norman Dods and their son Mason of Calgary.

Mr. and Mrs. Stan Matlock of Lethbridge were weekend visitors in the district.

Douglas Smith, elder son of Mr. and Mrs. George F. Smith is a patient in the Calgary General Hospital where he underwent surgery this past week.

Mrs. S. L. Jones left for Penticton, B.C. last week to be with her father, who is very ill.

A disappointingly small crowd attended the Lake McGregor District Scout Council Banquet on Friday in the Champion Community. After the sumptuous turkey supper served by the Ladies Auxiliary to the Royal Canadian Legion, slides were shown of the Queen's Scouts being congratulated by the Lieutenant-Governor, Percy Page, and the camping trip last summer when Scouts from Champion with their leaders packed in on horses to a site west of the Kananaskis Highway.

Mr. and Mrs. Bill Diemert accompanied by David Mollard and Donald Clifford were visitors at the home of Mr. and Mrs. Reg Mollard in Calgary on Sunday. Jimmie Mollard returned with them.

Jim Hopkins is a patient in a Lethbridge Hospital recovering from injuries suffered in a recent truck accident.

### GIRL GUIDES

EARN THREE CERTIFICATES  
The Champion Girl Guide Company put on a very entertaining program and handicraft display, on Tuesday, March 9. The Guides met their objective, which was to earn three company certificates.

The first certificate was, Players. They had to produce a play and put on a variety program. The play they chose was a half hour play, Oh, Mrs. Townsend. The Guides all new at acting, did a splendid job of producing the play. The testers for the Players Badge were Mrs. W. Keenan and Mrs. D. Gallagher, representing the IOOE.

The Campfire Badge was tested by Mrs. V. Jordan and Mrs. J. Hunziger. In the glow of an artificial camp fire the Guides sang

eight songs, including folk songs, rounds and songs with descant as required for this certificate.

The third certificate was Handicraft. The Guides had all their handicraft on exhibit and Mrs. A. Lawson and Mrs. E. Nowlin representing the Women's Institute were the testers for this portion. The variety and numbers of handicraft articles, proved the Guides have been very energetic.

The large crowd in attendance included Brownies, Scouts, Cubs, Carmangay and Vulcan Girl Guides and many parents and interested friends.

### BROWNIES

The Champion Brownie Pack received two new Brownies into their Pack. Tweenies Marlene Kranzler and Patricia Carlson were enrolled by Brown Owl, Mrs. M. Smith.

A first-year service star was presented to Brownie Grace Hummel.

The Brownies had a table of handicrafts, displayed at the Guide program. The dainty handicrafts were excellent proof that the Brownies have been using their time wisely.

### CUBS

Three new Cubs have been invested: Peter Carlson, John Middleton and Ken Davis.

First stars were presented to Bobby Long, Allan Pasoli and Wayne Fath, and a 2nd star was presented to Rickie Jordan. Cub Murray Fath was advanced to a senior Sixer. Tommy Ellis was promoted to a Sixer and Allan Pasoli was made a Second. The Cubs have been busy working on Proficiency Badges and several Badges have been presented to the Cubs during the last month.

### MISSIONARY SOCIETY

Twelve ladies of the Free Church Women's Missionary Society met at the home of Mrs. Tom Ruggles on March 4. Grandma Ruggles brought a devotional thought on the story of the publican and pharisee from Luke 18. Roll call verses had the word "wash" in them.

During the business part of the meeting, tentative plans were made for the celebration of the tenth anniversary of the Women's Missionary Society. Invitations were to go to two guests of honor and speakers: Mrs. Harry Ruggles and Mrs. Wilfred Strom, who expect to be on furlough this summer, from Venezuela and Rhodesia.

Notes thanking the group for food parcels were read from Carol Ruggles, student at Mountainview Bible College and Clarence Graff, University of Alberta. Also a note came from Bob and Ruth Steeves in the Philippines, expressing thanks for the money for a subscription to the Vulcan Advocate.

The secretary read a missionary letter from the Ralph Hertzsprungs of India. Plans were made for the lodging and meals for the Rev. Clarence Strom, speaker for the meetings to be held at the church for April 4-11. Mrs. Don Steeves was presented with a cup and saucer in honor of the arrival of little Michele Denise. The hostess and Michele Denise. The hostess and Grandma Ruggles provided a lovely lunch. Next meeting was set ahead to April 1.

### LOMOND

Elmer Jensen has returned home from a holiday in the States.

Ray Elliott returned home Saturday from a holiday spent in B.C. visiting relatives.

Miss Sheila Hart visited friends in Vulcan last weekend.

A number of Lomond residents attended the dance at Milo on Friday night of last week.

Cpl. Ted Schlaht of the RCAF at Cold Lake is visiting at the home of his parents and brother, Mr. and Mrs. Sam Schlaht and Lloyd.

Miss Marilyn Frost and Miss Nola Bonertz, both of whom attend the Lethbridge Junior College, spent last weekend at the home of Marilyn's parents, Mr. and Mrs. Reg. Frost.

Mr. and Mrs. Jerry Root were Lethbridge visitors on Saturday of last week.

## Unrivalled comfort! Unexcelled performance! Unsurpassed ride! Meteor— The most beautiful car

Model illustrated: Montclair 2-door hardtop, one of the Ford Family of Fine Products, built in Canada.

Meteor surrounds you in the most luxurious comfort! Beautiful thick-pile carpeting, plush padding in broad arm rests and sleek swept-away dash, deep foam-cushioning under rich upholstery. There is a new suspended accelerator pedal that can't catch heels or trap dirt, a new double-edged key that works either side up, a deeper trunk for more stand-up luggage space and a lower sill for less lifting distance . . . and lavish choices like a swing-away steering wheel, elegant vinyl roof, courtesy lights, power windows and seats. Meteor sets the unrivalled standard of luxurious comfort in the popular-priced class!

Meteor performs with impressive new spirit! The powerful new 240 cubic-inch "Avenger" Six and the husky 352 and 390 V-8's take to the road with spirited action . . . especially with Meteor's 3-speed dual range automatic transmission.

And the 3-speed and 4-speed manual transmissions, both fully synchromesh, are silky performers. You've got the key

### New 240 Cubic-Inch "Avenger" — Biggest, Most Powerful Six in Canada!

150 horsepower and a 234 torque rating achieve a new height in high performance! Refinements in efficiency and durability mean a smoother-running, quieter "6" with a big lead in economy!

Saves like a "6"—goes like a V-8! It's the best!

to driving pleasure when you turn the key in a new Meteor!

Meteor has the most remarkable ride on the road! It is designed to virtually eliminate road shock and vibration, with a long 123-inch wheelbase, new "torque-box" frame construction and an improved all-coil suspension without that "floating" sensation. You'll feel the difference these engineering refinements make in the unsurpassed quietness and smoothness of Meteor's ride!

Meteor has the year's most beautiful styling! Elegance is beautifully apparent in Meteor's slim, extended fenders . . . sculptured body with restrained use of chrome . . . sweeping trunk deck with tapered taillights. Test-drive your choice of eleven magnificent Meteors at your Mercury dealer's. You'll find that Meteor is as impressive in every way as it is in appearance!

## The Farmer And Weather

Spring around the corner has always made the farmer anxious to get out on the land and get working on that "next year" crop.

Sixty years ago the Vulcan district was a vast grazing land. Ten years later, in 1915, Alberta produced a bumper crop and the first World War created a seller's market with attractive prices.

Farmers this far west found it difficult to get a variety of wheat that would ripen in our short season. Marquis wheat was developed in 1911 — it was a wonderful grain but took 120 to 130 days to ripen in such rich, virgin soil. The fertilizers of today were not known then.

Horse power being much slower for seeding and harvesting than today's mechanized operations, it was prime necessity to be on the land early. This often created a competition as to who would be out first in any community; maybe more so than having the first wheat delivered to the elevator.

The vast changes in many conditions, along with the development of early-maturing varieties of grain has taken the sting out of the perpetual threat of frozen crops. But it can still happen, and did in 1964, when at the time of a full moon on August 24 millions of bushels of wheat west of highway 23 suffered frost damage and graded from No. 2 to No. 5. In this area only the occasional farmer got No. 1 grade, usually for wheat that was seeded early and swathed before August 24.

The following poem, written in the 30's by a district pioneer, illustrates the anxiety of the farmer to get an early start on the land and how our fickle spring weather could upset his plans.

### Old Man Winter

Mr. Old Man Winter is icy bleak and cold,  
He should be getting tender as he is growing old.  
But about the time his lease upon the earth is through  
He tries his best to see what he can do.  
Miss Spring came out in all her glory, one day soon,  
The 20th of March was like a day in June.  
The little gophers flipped their tails so gay  
And bounced from hole to hole, in golf like play.  
The farmer bent by months of winter cold  
Waxed valiant, gay, and even bold.  
He climbed upon the seat of his old track—  
And with the harrows scratched the earth's dry back.  
Twas on that evening while he milked the cow,  
He figured that tomorrow he could plow.  
His heart was happy; how he did sing  
Because he felt the joy once more of spring.  
Old Man Winter did not sleep that night,  
He sent Jack Frost to freeze the earth so tight,  
And on the 21st of March it was really so,  
The ground again was covered white with snow.  
A moral: this story should be for us,  
That we should not create a great big fuss  
About the different seasons of the year,  
Until we are really sure they are here.
